Commissioner Schulte moved to approve the Consent Agenda item four.
Commissioner Stamper seconded the motion.

4. Resolution No. 15-313 Approval of awards for the Chemical-Dependency Health-Therapeutic Courts (CD-MH-TC) .1 of 1% Sales and Use Tax Funds to local agencies.

Danette York, Director of Health and Social Services, stated the County received proposals in response to the RFP released for the CD-MH-TC sales tax fund. An ad hoc committee was created to review the proposals and listen to presentations. The committee recommends funding the following agencies with the specified amount each year for two years:

1. Health Partnership, \$117,500
2. Housing Resource Center, \$60,000

3. Centralia College, \$30,000
4. Reliable Enterprises, \$65,000
5. Cascade Mental Health Care, \$52,500.

This will equal \$325,000 per year for two years for a total amount of \$650,000 from January 2016 through December 2017.

Commissioner Schulte recommended withholding the funds from Cascade Mental Health Care. We have a couple of issues that we have become aware of after. They asked for funding that increases the match for the schools which puts half of the schools at risk for losing this program. He recommends approving items 1-4 and withhold funding from Cascade Mental Health until we renegotiate a contract with them to allow all the schools to participate.

Commissioner Schulte asked to amend his motion. He moved to approve funding for items 1-4 and withhold funding for Cascade Mental Health. **Commissioner Stamper** seconded.

Ron Averill, Centralia, stated he concurs with the recommendation of the Commissioners. In addition the Centralia School District made a strategic error in the way they applied for funds and got cut off so this might be a way that Centralia can get back into the program.

Motion Carried 3-0•

Commissioner Schulte moved to approve the Consent Agenda item nine. Funding all recommended applicants and delete funding for the White Pass Scenic Byway changing the total funding approved from \$281,000 to \$231,000. **Commissioner Stamper** seconded the motion.

9. Resolution No. 15-318 Approving funding from the Tourism Promotion Fund No. 198 to agencies for tourism related activities per RCW 68.28.180.

Commissioner Schulte stated he has had numerous conversations with the White Pass Scenic Byway with concerns over internal control. We wanted to see them update or draft policies to include travel, per diem, nepotism, and fixing their contracting process. Due to issues in the past we have asked them to complete an audit which has not been done. ~~It~~ would consider reconvening the LTAC Board to address that \$50,000. He feels this funding should be spent on events and festivals that make Lewis County a destination. He would also like to give some of the other opportunities for the camping and resorts to utilize this funding to promote them countywide.

Commissioner Stamper stated he agrees with Commissioner Schulte. We are trying to serve all of Lewis County. Making a determination of who received funding is a very difficult decision that the LTAC committee has to make.

Chair Fund provided background on how lodging tax is done. According to RCW 67.28.1816 there is a Lodging Tax Advisory Committee. It is required that they have equal number of people from the Lodging Industry as well as those who want to use that funding. This is not a win win situation it is a win lose situation. This year we said to all applicants that we want them to cover all of Lewis County. The Lodging Tax Advisory Committee took their responsibility seriously but unfortunately there are winners and losers in this. When we come to Discover Lewis County we discussed what can discover Lewis County due for these other entities". We also looked at the various Museums in Lewis County and are asking them to work together throughout the County. The Legislator has tied our hands in terms of this moment. We can only say \$0 or the amount recommended by LTAC.

Motion carried 2-0, Chair Fund abstained,

There being no further business, the BOCC's business meeting adjourned at 10:47 a.m. on November 9, 2015. The next public meeting will be held Monday, November 16, 2015. Please note that minutes from the BOCC's meetings are not verbatim. A recording of the meeting may be purchased at the BOCC's Office.
